

SHIPPING POLICY

We ship orders using USPS Ground Advantage. It typically takes 1-2 business days to process the order and 2-5 business days to deliver the order. Regardless of the effort we put in to meet all delivery deadlines, we do not warrant the delays may not happen because of postal/carrier delays, logistics, or bad weather. However, we will keep you updated as much as we can, and you should be able to track your parcel's progress.

We require a physical address for all orders. We are not responsible for any delays caused by incorrect or incomplete shipping information provided by the customer.

Once your order has been shipped, you will get a tracking number and a link to track your package. Please note that some orders using 1st Class USPS mail will not have tracking numbers.
